3rd Grade Keychain Project

Name: _______________________________________________________

Classroom: ________________________________

TynkerCAD Project Title: ____________________________________________________

Length (65mm) and Width (32mm)

Height (4mm)

Hole Diameter (8mm)

Letter Height (2mm)

Important Considerations
Total Project Height (6mm)
Build as big as allowed (65mm x 32mm)
Don’t put your hole or letters too close to the edge
Hole should be a minimum of 8mm in diameter
